

TURTLE RIVER TRAILS CONTINUES WITH PHASE 2!

The Turtle River Trails Committee is a group of eager local volunteers seeking your support for our exciting community project. In late 2020 Ste Rose Recreation Committee noticed an increase in pedestrian traffic due to the pandemic and an idea was sparked to construct an accessible walking/biking trail around the perimeter of the community to enhance, beautify and promote healthy living in Ste. Rose. A 20+ member committee was created in spring 2021 and with the incoming \$225K+ grant funds, fundraising started. Phase 1, the perimeter of the limestone-based trail-system is now completed and with the installation of benches, refuse bins and various signages this Phase will be finished summer 2023. On to our next Phase 2!

Phase 2 of the Turtle River Trails project includes the following:

***Rejuvenate and upgrade the existing, but overgrown and unsafe Ducks Unlimited Conservation Area, behind the Turtle River Sports and Agriplex. The multiple loops within this area will provide young and old with various fun physical and mental activities. As this area also has a natural hill in the landscape, we have plans to create a safe and enjoyable toboggan hill here. The marshy areas will have new beautiful wooden walkways and interpretive signages about the wildlife in the area. A place for healing, fun and fitness.

**Construction of the 9-hole Disk Golf Course and Trails – 250 feet east of the ball diamonds in Burnside Park and parallel to the perimeter trail. This popular sport is taking off and Ste Rose wants to be part of it – a great tourist attraction and family sport for our citizens.

We continue to have sponsorships coming in and would like to:

THANK THE FOLLOWING MAJOR SPONSORS

PLATINUM \$10,000—Prevost Foundation

GOLD SPONSORSHIP \$5000—David & Bonnie O'Hagan

SILVER SPONSORSHIP \$2500—Art Gagnon & Irene Callarec, Ste
