Select the account you wish to pay your bill(s) from. Click on the **Pay** box for the bill(s) to pay. Select a Payment Date (today or a date in the future) for each bill. Or, select Recurring Payment to create a regularly recurring payment.

Payments made after approximately 10:30 PM may not be settled until the next day. Vendor settlement times vary, to ensure your payments are received before date we recommend you process your payments at least 3 days prior to the due date.
