

NATURE PLAY PROGRAM CONTINUES THROUGHOUT THE SUMMER MONTHS ON THE TURTLE RIVER TRAILS!

The Wide Mouthed Frog book was very popular and the kids came to craft and snack that animal on May 25th at the Art-Hives event room. 7/10 books were handed out, so we still have a couple left if you missed out on May's animal. In June we will learn all about The Little Yellow Bee and then craft and create a bee on June 29th, again in the events room. Check out the poster for all the summer months animals and join this interactive programs for your little ones!

Ste Rose Outdoor Library NATURE PLAY PROGRAM

- STEP 1:** From May - September Visit the Outdoor Mini Library on the 1st of every month and take home the Book of the Month. The Mini Library is located on the Turtle River Trails system, along the City.

BUNCH OF THANKS ON BEHALF OF STE ROSE REC

The month of May is always such a busy month in Recreation. With the latest several events such as Rec Soccer, Bike Rodeo, Mother's Day Brunch, Megaball Tournament, Summer Market and Nature Play Program, volunteers are invaluable and these community events and programs wouldn't happen without these community oriented individuals and groups. As the Recreation Director they are vital to a successful day and our thanks never stop. I would encourage everyone to THANK A VOLUNTEER next time you see them during one of our events or programs. We all appreciate you keeping programs and events happening for our community! The Recreation Department also saw many smiles as IGA sponsored the snacks for the Megaball tournament. Our major business sponsors included Sunrise Credit Union, Source for Sports, Ste Rose sand and gravel/John and Robert Tucker, Integra Tire, Laurier Home Hardware and Chicken Chef. As we got rained out last year, many of these sponsors carried their sponsorship over to this years tournament and we THANK THESE LOCAL BUINNSES for investing in Recreation in Ste Rose.

FAMILY FUN DAY IN OCHRE RIVER

Several community groups are coming together to host another Family Fun Day Saturday July 15th. The Fire Department will start off the day with a pancake breakfast. PAC will keep the burgers fresh and dish out of the concession and host a ball tournament! The snowmobile club will host a cool event and help Rec with the beer gardens. There is still various other plans happening and Rec is looking for a caterer or a volunteer group to host an evening dinner. This day will be a lot of fun for Ochre River, so hope to see a big crowd.
