INDOOR PICKLEBALL COURT IN STE ROSE

With the very long spring we are having, Ste Rose Rec is pleased to announce that our curling rink floor is now a pickleball court! What is pickleball you ask? It is a sport similar to tennis, but use paddles and a whiffle ball. It is a popular with seniors because of it's low impact and easy to follow rules. With enough interest we could run a small club over the summer and fall months. To play at night (after 4:30pm) please contact the Rec office at 204-447-2154 to book your date/time or e-mail facilitymanager@sterose.ca. Open to all ages and abilities. \$2/per person/per time. Please sign in upon arrival.
